Armenia

... = data not available; | = marks break in series; – = magnitude equals zero; 0 or 0.0 = magnitude is less than half of unit employed; * = provisional, preliminary, estimate; \$ = United States dollars; AMD = dram; cif = cost, insurance, and freight; fob = free on board; GDP = gross domestic product; GNI = gross national income; IMF = International Monetary Fund; km² = square kilometer; kWh = kilowatt-hour; L = liter; m³ = cubic meter; NPISHs = nonprofit institutions serving households; SDRs = special drawing rights; t = metric ton.

- a For 2001–2011, population data were reestimated based on the results of the 2011 Population and Housing Census, according to which the rest of the demographic indicators were recalculated. For 2012 onward, estimates are derived from the current registration based on the Republic of Armenia 2011 Population Census.
- b For 2000–2007, labor force covers the population aged 16 years and older. For 2008–2017, labor force covers the population aged 15–75 years. For 2018 onward, labor force covers the population aged 15–74 years.
- c For 2002–2007, estimates are recalculated based on the results of the Population Census 2001. For 2008–2013, data on employment and unemployment are based on the annual Household Integrated Living Conditions Survey. For 2014 onward, data are based on the annual Labor Force Survey. From 2018 onward, the concepts defined in the 19th International Conference of Labour Statisticians were adopted in the Labor Force Survey, and therefore these figures are not directly comparable with data in prior years.
- d Prior to 2010, data for economic activities are based on Nomenclature Statistique des Activités économiques dans la Communauté Européenne, Rev. 1. For 2010 onward, data are based on Nomenclature Statistique des Activités économiques dans la Communauté Européenne, Rev. 2.
- e For 2000–2001, data refer to wholesale and retail trade; repair of motor vehicles and motorcycles; and accommodation and food service activities.
- f For 2000–2009, data refer to transportation and storage; and information and communication.
- g For 2000–2001, combined with wholesale and retail trade; repair of motor vehicles and motorcycles.
- h For 2000–2009, combined with transportation and storage.
- i Prior to 2010, includes public administration; education; health and social work; and community, social, and personal service activities. For 2010–2017, includes professional, scientific, and technical activities; administrative and support service activities; public administration and defense; compulsory social security; human health and social work activities; education; arts, entertainment, and recreation; other service activities; activities of households as employers; undifferentiated goods- and services-producing activities of households for own use; and activities of extraterritorial organizations and bodies. For 2018 onward, includes professional, scientific, and technical activities; administrative and support service activities; public administration and defense; compulsory social security; human health and social work activities; education; arts, entertainment, and recreation; other service activities; activities of households as employers; and activities of extraterritorial organizations and bodies.
- j Refers to time-related underemployed persons or employed persons who worked less hours than the standard threshold because they could not find a full-time job or were transferred to a part-time job by their employer, but are willing and available to work more hours.
- k Prior to 2008, based on officially registered unemployed only.
- l For 2000–2011, estimates are based on the 1993 System of National Accounts. For 2012 onward, estimates are based on the 2008 System of National Accounts.
- m For 2000–2007, data refer to transportation and storage; and information and communication.
- n For 2000–2007, combined with transportation and storage.
- o Includes NPISHs.
- p For 2000–2008, data refer to transportation and storage; and information and communication.
- q For 2000–2008, combined with transportation and storage.
- r Refers to data based on “swap”, a derivative contract through which two parties exchange liabilities. From 2014 onward, natural gas exports based on the swap scheme were not included in the energy balance reports of the Republic of Armenia.
- s Includes accounts of the central bank and commercial banks. For 2007 onward, also includes accounts of credit organizations.
- t Corresponds with broad money supply (M2X) by economy definition.
- u “Foreign assets (net)” are the net of foreign assets in convertible currency and foreign liabilities in convertible and local currencies.
- v Includes nonfinancial corporations, households, and nonprofit institutions.
- w Refers to other depository corporations’ demand deposits included in money supply.
- x Refers to other depository corporations’ time deposits included in money supply.
- y Refers to other depository corporations’ claims on resident nonfinancial corporations, households, nonprofit institutions, and other financial institutions.
- z Refers to other depository corporations’ net claims on the central bank; net claims on the government; and claims on resident nonfinancial corporations, households, nonprofit institutions, and other financial institutions.
- aa For dram deposit rates, a 6–month period refers to 91–180 days, while a 12–month period refers to 181 days–1 year. Rates are calculated based on the arithmetic average of monthly rates.
- ab For 2018 onward, details do not add up to total taxes due to differences conditioned by the return and set-off of tax overpayments occurring in previous years.
- ac Compiled based on the IMF’s Balance of Payments and International Investment Position Manual (sixth edition).
