... = data not available; | = marks break in the series; - = magnitude equals zero; \* = provisional, preliminary, estimate; \$ = United States dollars; cif = cost, insurance, and freight; fob = free on board; GDP = gross domestic product; GNI = gross national income; km<sup>2</sup> = square kilometer; kWh = kilowatt hour; NZ\$ = New Zealand dollars.

a Data for 2000, 2001, 2006, 2011, 2017, and 2022 are based on actual census population count. For other years, these are intercensal population estimates calculated by ADB staff using the census' actual growth and distributed over the period between two census years.

b The 2022 values by industry groups are ADB staff estimates using data from the 2022 Niue Census of Population and Housing Report.

c For 2006, includes electricity, gas, steam, and air-conditioning supply; water supply; sewerage, waste management, and remediation activities; and construction.

d For 2006, included in mining and quarrying.

e For 2006, accommodation and food service activities are included in wholesale and retail trade; repair of motor vehicles and motorcycles.

f For 2001 and 2006, information and communication is included in transportation and storage.

g For 2006, includes real estate activities.

# Niue

- h For 2001, includes public administration; education; health; social welfare; other nonprofit services; and others not stated. For 2006, includes public administration; education; and health; and community, social, and personal services. For 2011, includes professional, scientific, and technical activities; administrative and support service activities; education; human health and social work activities; arts, entertainment, and recreation; other service activities; and activities of households as employers; undifferentiated goods- and services-producing activities of households for own use. For 2017 and 2022, includes professional, scientific and technical activities; administrative and support service activities; public administration and defense; compulsory social security; education; human health and social work activities; arts, entertainment and recreation; other service activities; activities of households as employers; undifferentiated goods- and services-producing activities of households for own use; and activities of extra-territorial organisation and bodies.
- i Unemployment rates were estimated by ADB using data for the unemployed data and total labor force.
- j For 2000–2008, loss of additivity is due to unavailability of data for imputed bank service charges and product taxes.
- k Refers to agriculture, hunting, fishing, and forestry.
- l Includes mining and quarrying.
- m Includes water supply; and sewerage, waste management, and remediation activities; and combined refers to electricity, gas and water.
- n Refers to wholesale and retail trade.
- o Includes information and communication and combined refers to transport and communications.
- p Refers to hotels and restaurants.
- q Included in transportation and storage and combined refers to transport and communications.
- r Includes real estate activities; professional, scientific, and technical activities; and administrative and support service activities; and combined refers to finance, business services, and real estate.
- s Included in financial and insurance activities and combined refers to finance, business services, and real estate.
- t Refers to general government nonmarket.
- u Included in human health and social work activities and combined refers to community and personal services.
- v Includes education; arts, entertainment, and recreation; and other service activities; and combined refers to community and personal services.
- w Refers to product taxes.
- x For 2003–2014, refers to agriculture, hunting, fishing, and forestry. For 2015 onward refers to agriculture, hunting and fishing.
- y For 2015 onward, quarrying is included in construction and combined refers to construction and quarry.
- z For 2003–2009, includes mining and quarrying.
- aa For 2015 onward, includes quarrying and combined refers to construction and quarry.
- ab Values are estimates of the Food and Agriculture Organization of the United Nations.
- ac For 2000–2008 and 2016–2022, values are estimates of the United Nations.
- ad Refers to gross production.
- ae Refers to final energy consumption.
- af For 2011 onward, consumer price index period averages are ADB estimates based on the Niue Consumer Price Index Statistical Releases.
- ag For 2003–2010, data refer to food.
- ah For 2003–2010, data refer to tobacco and alcohol.
- ai For 2003–2010, data refer to clothing.
- aj For 2003–2010, data refer to housing. For 2011 onward, refer to housing, water, electricity and gas.
- ak For 2003–2010, data refer to household operations. For 2011 onward, refer to furnishings and household equipment.
